LIVING A LIFE FILLED WITH THANKFULNESS

As we approach the thanksgiving season I am reminded of the many reasons I have to be thankful. I agree with the words that the Apostle Paul wrote to his friends in Philippi; ***"I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus."*** (Philippians 1:3-6). I am very thankful for you, the Bethel Church family. I count it a great privilege to serve as your pastor. I am thankful that we are partners in the gospel and that God is at work in and through you for his glory. Even though we live in challenging days we can be confident that God is still at work and that he desires to work through you. As we partner with God and with each other we can accomplish much for the kingdom of God. I am thankful for being able to make this journey with you. God bless and straight ahead!

The Lord is opening up new opportunities for the Gospel through Upward Basketball, English classes in schools and universities, and ministry among refugees. God is at work in Poland.
