A word from our Pastor

I recently returned from a trip to Israel and on that trip we went to a site where they believe Jesus was crucified. Nearby there is a tomb where it is believed Jesus was buried. I went into the tomb and found that it was empty! The empty tomb gives us hope because we believe that Jesus Christ rose from the dead. In rising from the dead, Jesus conquered sin and death. His victory is our victory through faith in Jesus. The presence of our Risen Savior conquers any fears we might have. There is no need for fear of death because it has been defeated by Jesus. We do not need to fear whatever we find in this world because Jesus has overcome the world. The darkening clouds of fear have been blown away by the living light of Jesus. We are called to live in the light of this victory not in the fear of the darkness. As we live our lives, let us remember that we are victors in Christ. Let the victory of Christ lead us to live our lives of joy for the glory of God!

Straight Ahead!

Pastor Doug
