FEBRUARY 2017

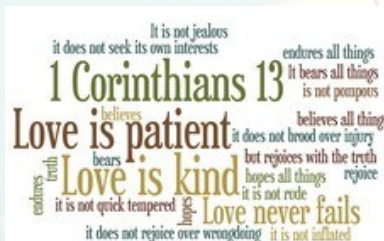

## From Our Pastor...

It seems February always reminds me of Valentine's Day. Valentine's Day is a day when we express our love toward others with cards, gifts, candy, or flowers. It feels good to be loved and to express our love. Even if you do not receive any of these expressions of love we need to remember that we have someone who loves us very deeply. The greatest love has been shown to us by God. ***"How great is the love the Father has lavished on us, that we should be called children of God! And that is what we are!" (1 John 3:1).*** God has lavished his love on us. We are the recipients of the blessings of God because of his love for us. This love was demonstrated to us very clearly. ***"But God demonstrates his own love for us in this: While we were still sinners, Christ died for us." (Romans 5:8)*** God loved us even when we were unlovable. This love that God has for us is not earned by our behavior. It is given despite our behavior. It is a love that we can receive and enjoy. It is a love that we can return by loving God with all our heart. As we go through the Valentines celebration, do not forget the amazing love of God for you. Take time to thank him for his love and love him back.

Straight Ahead!

Pastor Doug

# Alabaster offering

Alabaster in 1949? These offerings have supplied funds for: hospitals and clinics ~ schools ~ churches ~ pastors' homes ~ property purchases.

Alabaster is designed as a love gift for Jesus, a sacrifice inspired by the woman who poured expensive perfume on His feet from an alabaster jar. Let us be challenged not only to save our extra change, but to go without something in order to give. These funds are used 100% exclusively for buildings and purchase of properties on our mission fields.

Please mark your gift "Alabaster".

Did you know that over \$105million has been given and 9,500 projects have been realized since the beginning of

**Sunday, Feb. 12**  
**6pm**

James 5:13-16

Is anyone among you in trouble? Let them pray. Is anyone happy? Let them sing songs of praise. Is anyone among you sick? Let them call the elders of the church to pray over them and anoint them with oil in the name of the Lord. And the prayer offered in faith will make the sick person well; the Lord will raise them up. If they have sinned, they will be forgiven. Therefore confess your sins to each other and pray for each other so that you may be healed.

The prayer of a righteous person is powerful and effective.
