

FROM OUR PASTOR...

It looks and feels like summer time is here! I know it doesn't officially begin for a few weeks, but with schools letting out and the weather warming up, it makes us think summer. With the coming of summer, we have a change in our schedules. Many will be heading off on vacations to places far away, while others will head to the mountains to camp and enjoy the outdoors. Wherever you go to get away and enjoy some recreation, remember to take time for some re-creation. Use your time away as a way to reconnect with God. Family vacations can be great times for families to reconnect with each other and with God. Take advantage of your time in the great outdoors to marvel at God's creation. Vacations can serve as Sabbath times where we get some rest. I hope that after the summer is gone and fall schedules are resumed, you will find yourself refreshed and ready to move ahead. Let's have a great summer and see how we can draw close to God.

Straight Ahead!

Pastor Doug
