A word from our Pastor

My favorite destination for trips has become Israel. I have had the privilege of going to Israel three times now and I am hooked. It's fascinating to travel through the land that is filled with the history of the Bible. It is inspiring to walk where Jesus walked and see where he lived and taught. To walk the streets of old Jerusalem is an amazing experience. To ride on a boat on the Sea of Galilee stirs the soul. I am leading another trip to Israel next spring. The dates for the trip are March 5-14, 2019. It will be an amazing ten day trip to see and experience Israel in person. There is really nothing like this. One person said, it makes the Bible come alive. Another said, I used to see the Bible in black and white and now I see it in living color. I love taking people there and seeing them experience this holy land for themselves. Everyone who has gone enjoyed the trip and recommends it to you. Let me know if you interested in this trip. I would love to have you along for this adventure!

Straight Ahead!

Pastor Doug
