A word from our Pastor

Three years ago we began a stewardship program called Unleashed to pay off our indebtedness on our church building. We want to have our debt paid off so the funds that are going toward debt can be unleashed and put into ministry. We have made great progress in this campaign. When we began we had a debt of \$1,100,000. Through the generous giving of our people, we have paid off \$839,831, leaving us with a balance owed of \$260,169. Just this church year, \$100,000 was used from our general fund to help pay this down because our giving has been far above projections. These facts give us reason to be thankful and praise the Lord! We are continuing the Unleashed for the Future Campaign to help finish paying off this debt. Thank you for your sacrificial giving to make this possible. You can be a part of this program by marking your gift 'Unleashed'. It will be exciting to see how God is going to help us finish this and launch out in new ministry. To God be the glory!

Straight Ahead!
Pastor Doug
