2019 Contribution Reminder:

Only those contributions actually received by Dec. 31 or
postmarked by that date may be recorded as given during the
2019 tax year. Checks received in the offering Jan. 5 but
back-dated into December are **not** considered 2019
contributions. Donors having given more than \$250 during the
2019 tax year should delay filing their tax returns until after they
receive their contribution statement from the church. IRS
regulations require that the contribution statement be in hand
prior to filing the return. Bethel Church contribution
statements will be available by the end of January 2020. We
switched church management systems mid-year in 2019, so
donors giving before June 2019 will receive 2 statements this
year. Please call the office if you have any questions.
