## A WORD FROM OUR PASTOR

We don't have to look very hard to see that our country is in need of prayer. The coronavirus pandemic has caused great stress and harm to our nation. The riots in the major cities have revealed that evil is at work in our country. The toxic political culture has caused great division among people. The acceptance of immorality in many forms continues to increase. Many people have given in to despair and see no hope for the future. We as the people of God have the responsibility to intercede for our country. There are several groups that are organizing a special prayer emphasis for September to pray for revival in our nation. The call is for 10 days of prayer starting with the Biblical Feast of Trumpets and ending with the Day of Atonement (September 18-28). We will be joining in that effort through our prayers. I encourage you to pray for our nation. Jesus is the answer for our nation. He is the answer for every man, woman and child. He is the only source of true hope for the future. Let's pray with our brothers and sisters around our nation and trust God for a mighty revival.

Straight Ahead!

*Pastor Doug*
